**MATERIAL HANDLING INFORMATION**

**The Original Miami Beach Antique Show**

January 4 - 8, 2020

Miami Beach Convention Center

**MATERIAL HANDLING INFORMATION & ADDITIONAL CHARGES**

**SPECIAL HANDLING**

**Rate as shown on Material Handling Authorization Form**

The standard material handling applies to shipments that can be readily handled off or onto a truck using a conventional forklift or pallet jack equipment without re-handling. A special handling charge applies if your shipment requires extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the re-handling of materials.

**OVERTIME**

**Surcharge: 25%**

Based on show move-in/move-out schedule and/or late driver check-in, an overtime surcharge per occurrence applies to shipments handled at show site during overtime hours. Your advance warehouse shipments may be received during straight time, but due to scheduling conflicts beyond EXPO's control may be moved into the exhibit hall on overtime. Any additional overtime charges will be invoiced at show site and are subject to change pending move-in/move-out schedules. Handling times will be documented on shipping documents. Drivers picking up outbound shipments will be sequenced for loading ONLY after a bill of lading is submitted to the EXPO Service Desk AND the driver has checked in.

**LATE SHIPMENTS**

**Surcharge: 25%**

A surcharge will apply to shipments not arriving within the published dates (refer to EXPO Quick Facts page for dates) for advance warehouse or arriving on show site.

**UNCRATED SHIPMENTS**

**Rate as shown on Material Handling Authorization Form**

An additional charge of 25% (or as stated on Material Handling Authorization page) of the applicable material handling charge at the time of delivery shall be charged for all loose, uncrated, or unprotected shipments received at the show site docks. The charge is a one-time charge that includes both move-in and move-out of the show, and is based on the weight of the shipment handled.

**OFF-TARGET DELIVERIES**

**Surcharge: 25%**

A surcharge will apply if shipment is not delivered (or carrier has not checked in) during assigned target date/time.

**PADDED VAN DELIVERIES**

**Surcharge: \$8.00/CWT**

A padded van surcharge applies to van line carriers that transport freight at cubic displacement rates, operate a non-standard dock height equipment, require freight on the truck to be unloaded in a specific order or orientation, or require that freight on the truck be moved to unload the actual delivery.

**MARSHALING YARD**

**Surcharge: Maximum \$20.00**

Where EXPO Convention Contractors, Inc. as the show contractor must lease space for marshaling yard operations because no space is provided by the facility, EXPO may charge a fee per shipment processed through the marshaling yard.

**REWEIGH OF SHIPMENTS**

**Surcharge: \$25.00 per forklift load**

An additional charge per forklift load will be applied to shipments that have to be reweighed at the dock due to the lack of a certified weight ticket, or an incorrect or understated weight on a delivery document.

**EMPTY CRATE STORAGE**

**Surcharge: \$35.00 per piece**

A charge per crate, carton or skid applies when EXPO handles the storage and return of empties from a shipment not received by EXPO and therefore not subject to material handling charges. Empty crates/cartons are stored in trailers during the show. They are returned in random order after the show closes and the aisle carpet has been picked up.

**ENVELOPE DELIVERIES**

**Surcharge: \$10.50 per envelope**

During show hours at the show facility, a charge will apply to receiving and delivering envelope packages to your booth.

**ACCESSIBLE STORAGE**

**Surcharge: Based on applicable Labor rate (refer to labor order form)**

Accessible storage will be accessible during the show, but not necessarily by exhibitors. There is a one hour labor rate charge for each time the accessible storage is accessed. There will be no charge to return material to the booth at the close of the show.

**WAREHOUSE STORAGE**

**Surcharge: Minimum one-hour labor fee for each trip**

Shipments arriving at the warehouse more than 30 days ahead incur storage fees. Transportation of freight to the warehouse after the show at the exhibitor's request incurs "return to warehouse" (RTW) fees and storage fees.

## MATERIAL HANDLING Q & A

### The Original Miami Beach Antique Show

January 4 - 8, 2020

Miami Beach Convention Center

## MATERIAL HANDLING Q & A

### What is material handling (also referred to as drayage)?

Material handling is the process of unloading your freight from your shipping carrier, either at the warehouse or show site, delivering it to your booth, storing your empty containers (empties) if required, returning of your empties at the close of show, and then reloading your freight back onto your shipping carrier.

### What is the definition of "freight"?

Any exhibit materials that are shipped or delivered to the advance warehouse or show facility via shipping carrier, POV, or delivery truck.

### What is a "certified weight ticket"?

A printed weight ticket from a scale certified or inspected by a government authority such as the Dept. of Agriculture, indicating the date weighed, the weight of the shipment and the vehicle ID of the unit being weighed.

## IMPORTANT FACTS ABOUT ADVANCE SHIPMENTS

All shipments that are addressed to the advance warehouse address (please refer to "Advance Warehouse" shipping labels included in this manual).

EXPO will begin accepting your shipments 30 days prior to first show open day (date may vary depending on show schedule).

The warehouse will receive shipments Monday thru Friday, 8:00am - 3:30pm, excluding holidays.

Shipments must arrive by advance warehouse deadline date to avoid a late surcharge. (Please refer to the "Show Information" page included with this manual for deadline date.) Crates, cartons, skids, fibercases, and carpets can be accepted at the warehouse, but DO NOT ship crates weighing over 5,000 lbs., loose/uncrated shipments and/or machinery to warehouse. You must ship those items direct to show site.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

## MATERIAL HANDLING CHARGES

### What determines how much I'm charged?

Charges are based off the weight from your inbound weight ticket included with your shipment.

### How do I calculate material handling charges?

Material handling services, whether used completely, or in part, are offered as a package. When recording weight, round up to the next 100lbs. For example: 285lbs. = 300lbs./100 lbs. = 3 X RATE = \$ Amount or minimum charge, whichever is greater.

### Will there be any additional charges?

Additional charges may apply. Please review the Material Handling Authorization form.

## LIABILITY INSURANCE

### What is and why would I need liability insurance?

Accidents happen, therefore, most show organizers and facilities require liability insurance. Please refer to your booth contract for exact minimums required.

Please make sure your materials are covered from the moment they leave your company location to the time they return after the close of the show.

### What is the difference between material handling and shipping?

*Shipping* is the process of carrying your shipment from your location, pick-up area to its destination and also the process of returning your shipment back to your location after the close of the show. *Material handling* begins at the time your shipment arrives to the docks (please refer to "What is material handling?" for the full definition.)

### Do I need to order a fork lift to unload or reload my freight?

No, please do not order a forklift for unloading/reloading of your materials. It is included in the material handling/drayage fee.

### What does CWT mean?

CWT is an acronym for Century Weight, therefore it means per 100lbs.

## CRATED~UNCRATED~SPECIAL HANDLING

### What are CRATED materials?

Materials delivered that are skidded or in a container that can easily be unloaded/reloaded with no special handling required.

### What are UNCRATED materials?

Materials delivered that are loose, pad-wrapped or un-skidded without proper lifting bars and/or hooks.

### What is SPECIAL HANDLING?

Shipments delivered that require extra labor for stacking or unstacking containers on a truck (cubic loading), tarping or untarping freight or containers, or rigging pieces for loading or unloading on a truck or from the ground, or other circumstances requiring the rehandling of materials.

## IMPORTANT FACTS ABOUT DIRECT SHIPMENTS

### What are direct shipments?

All shipments that are addressed directly to the exhibit facility (please refer to "Direct to Show" shipping labels included in this manual).

Shipments must arrive during exhibitor move-in times only. Do not ship direct to show site in advance. If delivery cannot be guaranteed to arrive during exhibitor move-in, shipment must go to advance warehouse.

All shipments must have a bill of lading or delivery slip indicating number of pieces and weight. **Certified weight tickets required.**

Crates weighing over 5,000lbs. or loose/uncrated shipments must be shipped direct to show site to arrive during exhibitor move-in times.

All shipments must be prepaid, no collect on delivery shipments will be accepted.

## OUTBOUND SHIPMENTS

You must complete an EXPO Bill of Lading (BOL) for all outbound shipments. Please come to the Expo Service Desk the last day of the show to settle your account and pick up a BOL.

Upon completion of packing and labeling of your materials, complete the bill of lading with all required information, and return to the Exhibitor Service Desk. If you have questions on how to complete your bill of lading, please ask an EXPO exhibitor service representative located at the exhibitor service desk.

If you are NOT using the designated shipping carrier, you must call your carrier with pick-up information. If your carrier fails to pick up your shipment, EXPO will either reroute your freight through the carrier of our choice or return to the local warehouse (whichever is indicated on your BOL).
