

LABOR REGULATIONS

Labor/Union Laws

Union	Definition of Jurisdiction
Teamster Union	Teamsters handle freight at the exhibit hall. They unload trucks or vehicles and deliver materials to and from booths. They also provide rigging of machinery, moving services, and spot machinery in your booth. The normal rigging crew consists of two men and a forklift. Customarily, this service must be ordered in advance at the exhibitor's expense.
Carpenter Union	Carpenters handle the erection and dismantling of display and exhibit booths. This also includes all display work. Carpenters uncrate and re-crate machinery or equipment and install and remove all draping and floor covering.
Electrical Union	Electricians handle all electrical work, which includes supply power lines to your booth, connecting equipment to outlets, and install signs or headers that are lighted, unless they are permanently a part of the exhibit's back wall.

	Task	An Exhibitor Can	An Exhibitor Cannot
